Pamela Geller is one of America's foremost activists for human rights and freedom, and against the spread of the oppressive elements of Islamic law in America. She has originated and spearheaded numerous pro-freedom initiatives, including the memorial for honor killing victim Aqsa Parvez in American Peace Park in Jerusalem; a rally and numerous other initiatives in support of threatened ex-Muslim teenager Rifqa Bary; a nationwide bus ad campaign offering help to apostates leaving Islam and threatened for doing so; a rally attended by thousands against the Islamic supremacist mega-mosque slated to be built at Ground Zero; and much more.

Pamela Geller's videoblogs ("vlogs") on a wide range of current events have won enthusiastic acclaim, as have her exclusive Atlas interviews with internationally renowned authorities on jihad, terrorism, and related issues, including John Bolton, Geert Wilders, Bat Ye'or, Ann Coulter, Mark Steyn, New York Mayor Michael Bloomberg and Jerusalem Mayor Uri Lupolianski, Steve Emerson, Christopher Hitchens, Natan Sharansky, and many others. She routinely confers with leading scholars on the Middle East, Islam, Eurabia, China and Russia.

Geller has broken numerous important stories -- notably the questionable and illegal foreign sources of some of the financing of the Obama campaign, the anti-Semitic posts on Obama's website, Obama's political organizing in public school classrooms, ACORN's destruction of Republican voter registrations, and many more. Her articles and op-eds have been published in the *Washington Times*, *Big Government*, *Big Journalism*, *Big Hollywood*, *Human Events*, *The American Thinker*, *Newsmax*, *Hudson New York*, *Pajamas Media*, *Israel National News*, *World Net Daily*, *FrontPage magazine*, *New Media Journal*, and *Canada Free Press*, among other publications.

Geller began her publishing career at the *New York Daily News* and subsequently took over operation of the *New York Observer* as Associate Publisher. After engaging in various forms of activism in the immediate aftermath of 9/11, she became convinced of the crying need for an alternative to the mainstream media, and began AtlasShrugs.com in February 2005. The site won the 2005 "Best New Blog" Jewish & Israeli Blog Award, was a finalist in the 2005 Weblog Awards, and finished in third

place for "Best Conservative Blog" in the 2008 Weblog Awards. Geller also won the "Grande Conservative Blogress Diva" Award for 2008 and for 2009.

She is a frequent guest on talk radio and has regular segments on two radio shows, the Jaz McKay Show and Jamie Allman In the Morning.
